

Co-funded by
the European Union

The Well-U Project is an initiative co-funded by the European Union focused on promoting the mental health and psychosocial well-being of Ukrainian refugee children and their caregivers.

How to achieve this goal?

By adapting, contextualizing, and implementing the tools: ReachNow, TeamUp, the Movement, Games, Sports and Creativity (MGSC), and Problem Management Plus (PM+) to support refugee children and their caregivers.

Where is the implementation?

The project is empowering vulnerable refugee children and caregivers across Italy, Greece, Hungary, and Romania.
